

Application for Enrolment

This application should be accompanied by a \$100 application for enrolment fee which is **non-refundable**. This is an administration fee and helps to cover costs associated with processing enrolments. Early in the year, two years preceding the proposed admittance, prospective day students and metropolitan boarders will be called for an interview after which an offer of acceptance that academic year may be made. In the case of boarders applying for future years, the application may be accepted subject to a satisfactory academic report and suitable references being supplied two years prior to entry. All boarders are required to have an interview before entry. This interview may be arranged at a mutually agreeable time in the year prior to entry.
