Please Note:

- Submission of this form will alert the College Music Department of your son's interest and availability for an extra-curricular ensemble/s. It is not in any way, a guarantee of membership. From this list, if there are vacancies in ensembles, students may be invited to audition or even join directly.
- Students will be placed in ensembles **according to ability**; the year groups included should be used **as a guide only**. Students will be individually auditioned, particularly for Rock Bands, if required, to ascertain their ability level and participation.
- All students in younger year groups must be having lessons with a qualified teacher either at the College or with a private teacher (except for Choirs) to be involved in the Music program.
