Participating in Performing Arts

Performing Arts at St Joseph's Nudgee College gives every boy the opportunity to discover where he belongs, develop his confidence, and contribute to the cultural life of the College.

Whether performing on stage, making music, debating an idea, writing a story, creating artwork, competing in Esports, or working behind the scenes, students are encouraged to explore their interests and develop their individual strengths. For some, Performing Arts becomes an area of excellence; for others, it is simply a place to try something new, build friendships, and find another way to contribute to College life.

Our programs are supported by experienced and passionate staff, many of whom remain active practitioners within their respective fields. Together, they provide students with opportunities to learn, perform, compete, create, and grow in an environment that values participation as much as achievement.

Performing Arts Development Opportunities

Performing Arts Development provides a dedicated pathway for current and prospective students to explore the breadth of the Nudgee Performing Arts program and identify opportunities in which they can participate, progress, and flourish.

Through introductory experiences, specialist development, workshops, tours, scholarships, and events such as Try the Arts, students are encouraged to try something new, build confidence, and connect with the people and programs that can support their growth..

DISCOVERING OPPORTUNITIES

Performing Arts Development helps students navigate the opportunities available across the College and connect with the programs, staff, and experiences that best reflect their interests and aspirations.

Opportunities may include:

- Try the Arts Days and introductory experiences
- Performing Arts Scholarship opportunities
- Workshops, masterclasses and specialist development
- Performing Arts tours and external experiences
- Regional music tours
- Pathways into ensembles, productions, representative teams, competitions and activities
- Opportunities for new and prospective students to connect with staff and students
- Individual guidance around Performing Arts interests and development pathways

FINDING YOUR PATHWAY

Try the Arts provides students with an opportunity to experience Nudgee Performing Arts firsthand. Through practical workshops and introductory sessions, Try the Arts is an accessible entry point for students who are new to Performing Arts, while also helping prospective and incoming students begin building connections before commencing at the College.

PERFORMING ARTS SCHOLARSHIPS

Nudgee College recognises students who demonstrate significant ability, commitment and potential across areas of Performing Arts.

Performing Arts Scholarships provide talented students with opportunities to further develop their skills while making a meaningful contribution to the cultural life of the College.

Students considering a scholarship are encouraged to engage with the Performing Arts program early, understand the opportunities and expectations within their area of interest, and explore how their individual strengths can continue to develop at Nudgee.

For more information, please contact the Performing Arts Development Manager or scan the QR code to learn more.

Art Club

Art Club is a vibrant and creative group providing a space for students to explore and express their artistic talents outside the classroom.

BENEFITS OF PARTICIPATION

Participating in the Art Club enables students to refine their skills, discover new techniques, and work on collaborative projects. Art Club is also an opportunity to develop skills and gain knowledge in set design and construction of props for the College musical.

Chess

Chess "the game of Kings" has a proud history at Nudgee College. Long before it became part of the GPS Competition in 1995 it was a beloved pastime in the Boarding house and our lunch time chess club.

In 1997, student Max Leskiewicz won the Australia Junior Championship and we were lucky that he returned as an Old Boy to coach the next generation of our students. As Chess grew even more popular at the school, we started our Inter-House Chess Competition in 2004 and by 2011 we were hosting our own weekend chess tournaments open to students from all over Brisbane. In 2020, Chess made the transition from Activities to Performing Arts to further its focus on enriching the minds of Nudgee College students.

COMPETITION AND TRAINING

The Nudgee Chess Club has coaching all year long in preparation for the various Inter-School and Open competitions that we compete in. In addition to our own chess competitions that regularly attract over 150 players to compete at Nudgee College one Sunday each Term.

In Term 3, we compete in the GPS competition on Friday evenings. All of our coaching sessions and competitions help our students earn a QLD Junior Chess Rating which ranks them amongst students from all over the state.

Chess is a game that anyone can excel at and we have regularly seen our youngest students thrive and claim a spot in our top team the 1st IV as young as Year 7.

Our coaching sessions are traditionally run on Tuesday and Friday afternoons and are run by experts from Gardiner Chess and our own Old Boys returning to the school to share their knowledge.

Debating

Nudgee College Debating is proving to be a force to be reckoned with amongst our GPS and Queensland Debating Union (QDU) competitors.

Nudgee College Debating works closely with both organisations to produce high-quality debaters and foster an enjoyment of academic rigour. The GPS season is a Term 1 activity; the QDU competition runs from mid Term 1 into Term 2 for Years 7-12, and across Term 3 and Term 4 for Years 5-6.

Our College debaters are consistently represented in student leadership groups across year levels and are significantly represented in academically demanding subjects. This illustrates the role that debating plays in developing the whole person and its contribution to the learning culture of the College.

BENEFITS OF PARTICIPATION

Nudgee College Debating offers coaching all year long. The MIC and 2IC of Debating work alongside the Director of Performing Arts, Coaching Coordinator, coaches and coordinators to achieve the following:

- Highly skilled coaching across all year levels
- Development of 21st Century skills of confidence, curiosity, creativity, critical thinking, oral and written communication, collaboration, diversity and leadership.
- A comprehensive debating curriculum through easily accessed manuals.
- The provision masterclasses, workshops, inter-school development days and development squads to nurture developing debaters.

KEY HIGHLIGHTS

- Winner, Year 6 QDU Brisbane Primary Championship 2025
- Second, Year 5 QDU Brisbane Primary Championship 2025
- Finalist, Year 7, Year 8, Year 9, Year 10 QDU Brisbane Secondary Championship 2025

Drama Extension Activities

Drama offers a number of extension activities that provide our students with further opportunities to extend and challenge themselves. We engage in programs run by Brisbane based theatre companies. This allows our students to work alongside other passionate young people in a professional environment where they gain industry experience.

The programs align with the Drama curriculum and allows those students who wish to participate to extend themselves beyond the classroom walls. Students get to engage with professional directors, actors, playwrights, producers and technical crews within these offerings from the theatre companies.

PROGRAMS OFFERED

THE SCENE PROJECT

Queensland Theatre - The Scene Project - this project allows our students to work with a director from Queensland Theatre for one workshop session and a published script by a commissioned playwright. They then transform the playtext to devise their own piece of theatre which they get to showcase at the 'Outcome Day'. This is where they go to Billie Brown Theatre and present their work to other schools.

QLD SHAKE FEST - SHAKE & STIR THEATRE CO.

Shake Fest is an annual competition for students across Queensland. It is a unique program where students who are passionate about acting, music, dance, photography, stage design and film can enter their work. Their creation is inspired by the works of Shakespeare. It is a fantastic opportunity that allows our students to work with students from other schools and industry. Over the years a number of our students have participated in the acting, music and photography sections. We have had much success with students winning and placing in different categories and also being chosen for the Shakespeare production that is part of the event.

Esports

Nudgee College Esports is a nationally recognised program providing students with opportunities to compete, connect, and develop within an increasingly digital world.

Built around the principles of Respect, Fairness and Safety, the program combines competitive gaming with teamwork, communication, strategic thinking, and digital citizenship. Through structured training, interschool competition, industry engagement, and student leadership, Esports allows students to build confidence, develop new capabilities, and represent the College beyond the classroom.

KEY HIGHLIGHTS

COMPETITION SUCCESS

- ***State Finalist*** - Rocket League, Australian FUSE Cup Tournament, 2026
- NC Esports Open Champions, 2025
- Consistent high-level performances across FUSE Cup and QUT Esports competitions

COMPETITION SUCCESS

- ***Finalist*** - Australia's Best School Esports Program, 2025
- ***Finalist*** - Australia's Best School Esports Program, 2026
- ***Finalist*** - Most Inclusive Australian Esports Initiative, 2026
- ***Finalist*** - Best Australian School Esports Space, 2026
- ***Finalist*** - Best Australian School Esports Training Program, 2026
- ***Finalist*** - Wellbeing in Esports Award, 2026

LEADERSHIP AND EDUCATION

- Australian Rising Star in Esports Education, 2025
- ***Finalist*** - Australian Student Leadership Award, 2026
- ***Finalist*** - Outstanding Mentor in Esports, 2026
- ***Finalist*** - Community Impact through Esports Award, 2026

BENEFITS OF PARTICIPATION

Esports operates throughout the year and provides students with opportunities to:

- Develop strategic thinking, problem-solving, and decision-making through competitive gaming
- Build teamwork, communication, and leadership skills through structured training and competition
- Represent Nudgee College in interschool and representative Esports competitions
- Participate in workshops, masterclasses, and industry engagement opportunities
- Develop experience in event delivery, including commentating, tournament operations, and behind-the-scenes production
- Build friendships and belonging through a shared interest in gaming and technology

Game Design

Game Design is a new student-led Performing Arts co-curricular offering at Nudgee College, providing students with opportunities to explore creativity, technology, and digital innovation through the development of their own video games.

Game Design encourages students to become creators. Through structured, hands-on sessions, students will explore coding, 3D modelling, animation, digital storytelling and game development using platforms such as Roblox Studio. Working collaboratively, students will move through the stages of planning, designing, testing and refining their projects, with the goal of producing their own playable games.

BENEFITS OF PARTICIPATION

Game Design provides students with opportunities to:

- Develop foundational skills in coding, programming, and digital technologies
- Explore creativity through game development, storytelling, character design, and digital art
- Build teamwork, communication, and leadership skills through collaborative projects
- Strengthen problem-solving, critical thinking, and resilience through design challenges
- Gain experience in project planning, testing, evaluation, and continuous improvement
- Learn from student mentors and develop confidence in sharing ideas and presenting creative work
- Build friendships and a sense of belonging through shared interests in gaming, creativity and technology
- Enter completed game design projects into external competitions, including the Australian STEM Video Game Challenge

PREFECT
2026
MUSIC EXCELLENCE 2025
ST JOSEPH'S NUDGEE COLLEGE
2026

Maggie Shaw Creative Writing Competition

The Maggie Shaw Creative Writing Competition celebrates student voice, imagination, and excellence in writing, providing students with an opportunity to develop their craft and share original stories with the wider College community.

Named in honour of Maggie Shaw, whose 36 years of dedicated service to Nudgee College reflected humility and generosity, the competition carries forward her lasting contribution to the College. As the namesake of Shaw House, Maggie's legacy remains an important part of the Nudgee story, and the competition proudly honours her through the encouragement and celebration of young writers.

Students are challenged to produce an original piece of creative writing in response to a year-level theme. Through the process, they develop skills in storytelling, originality, structure, language, critical thinking, and communication while being encouraged to find and strengthen their own individual writing voice.

An external judging panel brings together respected professionals from literature, journalism, media, law, and the arts. This gives students the valuable opportunity to have their work considered beyond the classroom by accomplished members of the wider literary and professional community.

COMPETITION STRUCTURE

The competition is held in Term 2 across four divisions:

- Years 5-6
- Year 7
- Years 8-9
- Years 10-12

Entries are assessed across areas including creativity and originality, structure, language, engagement and voice, technical accuracy, and connection to the theme.

MAGGIE SHAW CREATIVE WRITING & ORATORY AWARDS CEREMONY

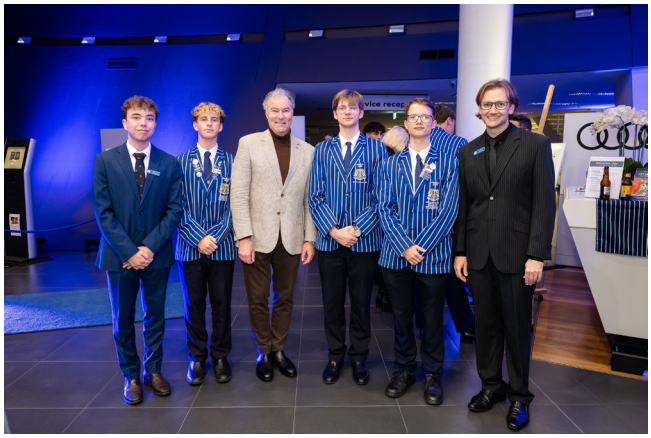

The competition culminates in the annual Maggie Shaw Creative Writing & Oratory Awards Ceremony, bringing together students, families, staff, judges and invited guests to celebrate excellence in writing and public speaking.

The evening provides an opportunity to recognise student achievement, hear from members of the wider literary and professional community, and celebrate the place of student voice within the cultural life of Nudgee College.

Award recipients are recognised for their creativity, originality and skill, with winning students also formally acknowledged as part of the College's broader celebration of excellence at the Annual Awards Night.

YEAR LEVELS

- Years 5 to 12

Musical

The biannual College Musical is an event open to all students from Years 5 to 12. It is held in Tierney Auditorium and runs for a period of four performances. This is a major College event that encourages students to pursue their creative endeavours within the following areas; actor (lead or ensemble), dancer, musician, backstage crew, technical crew, set and artistic design.

Students are invited to participate through an audition process for the actor (lead or ensemble), dance and musician roles. Other students can nominate for the other important roles for the production. The Musical brings together a team of students, staff and parents who work collectively towards the high quality production. It is a wonderful opportunity to build confidence, develop skills and be part of a team working together across multiple disciplines to bring to life a full scale production to a high standard- showcasing excellence. The Musical brings the community to celebrate and support the creativity of our students.

The College invites both St Rita's College and Mary MacKillop College students to audition to be part of the production, orchestra or nominate to be part of the behind the scenes. The choice of musical is chosen to suit our College and provide the best opportunity for the students to experience the real world of performance. All productions align with licensing requirements and agreements.

The College invites both St Rita's College and Mary MacKillop College students but also opens the auditions to the wider community to be part of the production, orchestra or nominate to be part of the behind the scenes. The choice of musical is chosen to suit our College and provide the best opportunity for the students to experience the real world of performance. All productions align with licensing requirements and agreements.

PAST PRODUCTIONS

- 1996 - Jesus Christ Superstar
- 2007 - Grease
- 2017 - Guys and Dolls
- 2019 - Addams Family
- 2021 - High School Musical
- 2023 - Footloose: The Musical
- 2025 - The Wiz

YEAR LEVELS

Music Ensembles

Students in Years 5 to 12 are given the opportunity to join music ensembles as part of the co-curricular music program. Participating in a music ensemble encourages teamwork and collaboration, building essential social skills and fostering friendships.

Music teams regularly perform throughout the year and often compete in competitions, festivals and eisteddfods. Every year, the College participates in the Queensland Catholic Schools and College Music Festival (QCMF). In 2026, Nudgee College Music won Gold Awards in the Band, Vocal and Contemporary sections of the festival.

Each year different music ensembles are invited to attend a music tour. These tours are usually based in Australia and happen at the start of the Term 2 holiday break.

For more information about our music ensembles, scan the QR Code above to see our Music Handbook.

Music Immersion Program Year 5

In Year 5, all students participate in the compulsory Instrumental Band or Strings Immersion Program. Students are allocated an instrument based on an instrumental timbre test, their preferences and previous instrumental experience.

Students receive two music lessons each week: a Kodály-inspired classroom music lesson and an instrumental lesson. Singing forms the foundation of the program, with students developing their musical understanding through singing, games, movement and listening activities. These skills are then applied to their instrumental learning.

Students participate in either the Band or Strings program, developing instrumental technique through whole-group and tutor-led small-group instruction. The program provides opportunities for all students, regardless of previous musical experience, to develop their musicianship, confidence and ensemble skills. Students experience the enjoyment and achievement of making music together while developing their musical skills.

Highlights of the program include our Open Classroom Series in Term 1, participation in the Queensland Catholic Schools and Colleges Music Festival (QCMF) in Term 3, and our end-of-year concert and celebration in November.

For more information about the program, please scan the above QR code.

Music Lessons

Learning music offers numerous cognitive, emotional, and social benefits. Playing an instrument enhances brain development, sharpening skills such as memory, concentration, and problem-solving.

It fosters creativity and self-expression, providing an outlet for emotions and stress relief. Mastering an instrument instils discipline and perseverance, valuable traits that extend beyond music into all areas of life.

At Nudgee College, we offer specialist instruction in a wide variety of areas including Strings, Woodwind, Brass, Percussion, Piano, Voice, Contemporary instruments and music theory. Our tutors, many of whom are current professional performers, provide engaging and inspiring lessons for our students.

Individual participation in external music examinations and competitions are encouraged and should be discussed between the Music Tutor, student and parents.

LESSON FORMAT

Half-hour lessons for music are offered to students in school time, with some lessons out of class time at the Music Tutor's discretion – priority is given to Years 11 and 12. Music lessons are rotated so that students do not miss the same classes each week.

Lessons are offered in the following formats:

- 30 minute private individual lessons
- 30 minute shared lessons (2-3 students per group).

For more information about our music lessons and their structure, scan the QR Code below to see our Music Handbook.

Oratory Competition

Oratory nurtures confidence, intellectual curiosity and open-mindedness. It encourages students to engage with diverse perspectives, articulate ideas with precision and speak with purpose.

The Nudgee College Oratory Competition is the oldest - and arguably the most prestigious - co-curricular competition at the College. It reflects the College's long-standing commitment to student voice, critical thought and confident self-expression.

Established in 1900, the Oratory Competition holds a unique place in the cultural life of the College. Its legacy highlights the importance placed on public speaking as a means of engaging thoughtfully and passionately with ideas, issues and perspectives that matter across generations.

Oratory develops essential personal and academic skills. The ability to organise ideas, construct persuasive arguments and deliver them with clarity and conviction is a powerful tool in both academic and real-world contexts. Through the public nature of the competition, students build confidence, resilience and a strong sense of personal achievement. Participants select topics of personal interest, resulting in speeches that reflect both contemporary issues and enduring themes.

COMPETITION STRUCTURE & ADJUDICATION

Each year group is adjudicated by College staff, with speakers assessed against the following criteria:

- Originality
- Quality of content
- Voice work (clarity, fluency, projection and expression)
- Audience engagement
- Overall effectiveness

CELEBRATION OF EXCELLENCE

In 2026, the College expanded its celebration of student achievement through the Maggie Shaw Creative Writing & Oratory Awards Ceremony, bringing together excellence in both creative writing and public speaking in a formal evening of recognition.

As part of the ceremony, Year 5-11 Oratory winners and Year 12 finalists deliver their speeches publicly to an invited audience. Students from Years 5 to 11 who place first in their year level are also recognised at the College Awards Ceremony in Term 4, while the Year 12 winner is awarded the Br O'Brien Memorial Trophy.

Technical Production Crew

The Technical Production Crew works behind the scenes to bring the College's events to life. From weekly assemblies and formal ceremonies to theatrical productions, live music concerts, and full-scale festival-style events, our student crew delivers live sound, lighting, vision, and staging support for the College's events.

HANDS-ON TRAINING & REAL-WORLD SKILLS

Production training is practical, and hands on. All new crew members start by mastering live camera operation and professional communication skills during weekly assemblies before rotating into other technical disciplines:

- ***Live Audio Engineering:*** Equipment setup, bumping in, micing up live bands, and mixing multi-channel sound.
- ***Vision & Broadcast Production:*** Framing live action on broadcast cameras and operating multi-camera vision switchers.
- ***Lighting Design & Operation:*** Programming lighting systems, stage visuals, and executing live show cues.
- ***Stage Management:*** Coordinating talent, managing backstage spaces, and stage changeovers.

LEARNING FROM INDUSTRY PROFESSIONALS & ALUMNI

Student crew members learn directly alongside the College's experienced Technical Production staff and Old Boys currently working in the live production industry. This unique mentorship links school events with real-world industry standards, teaching technical knowledge, teamwork, and calm problem-solving under pressure.

PATHWAYS BEHIND THE SCENES

Whether discovering live production for the first time or training for a future industry career, students build a strong foundation across every department before choosing to specialise in sound engineering, lighting design, vision, or stage management.

The Tech Crew is a year round activity. Students can sign up through Student Cafe or enquire through the Performing Arts Office.

Theatresports

Theatresports is a fun, energetic and creative activity using the skills of improvisation. It requires teams of actors working collaboratively where they make up scenes 'on the spot' based around stimuli provided and the game chosen.

Each game has specific rules and falls under categories of short and long games with the Senior competitors doing an Open Scene.Theatresports is highly entertaining where players make up on the spot the characters, dialogue, action and narrative.

Theatresports is great for those students who love performing, want to increase their performance skills, enjoy teamwork and friendly competition. It is a high energy physical activity where it challenges students creativity, focuses on imaginative storytelling and entertains an audience. Theatresports is open to all students from Years 6 to 12 to compete in the competition. For Years 5 and 6 students in particular, they can participate and learn the games of Theatresports.

COMPETITION

Improv Queensland runs the Youth Theatresports Competition. This is an annual event where schools from around Brisbane, Sunshine and Gold Coasts compete against each other for the ultimate trophy - Youth Theatresports Champion. The competition is categorised into Junior (Years 7 to 9) and Senior (Years 10 to 12) competition. Teams consist of a maximum of 6 players. Training takes place during Term 1, 2 and 3. The official competition is run in Terms 2 and 3 and the Grand Final takes place in Term 4. Teams compete in heats, quarter and semi- finals and then the grand final. Training occurs at lunch times and then nominated afternoons after school for specific teams.

PAST SUCCESSES

Our teams have had numerous success over the last 15 years with making it to the Grand Final and Semi Finals.

Writers' Circle

The Nudgee College Writers' Circle allows students to develop their craft, strengthen their confidence, and contribute to the literary life of the College.

Through guided mentorship, workshops, and collaborative practice, students are encouraged to experiment with form, voice, and perspective while developing important skills in drafting, editing, critical thinking, and communication. Writers' Circle provides opportunities for students to write for enjoyment, pursue excellence, and share their work with audiences both within and beyond the College.

BENEFITS OF PARTICIPATION

Students involved in Writers' Circle have opportunities to:

- Develop narrative structure, character, setting, voice, and the craft of effective storytelling
- Respond creatively to a range of writing stimuli and challenges
- Publish original work in the Nudgee College Writers' Circle Student Booklet
- Contribute to the Writers' Circle Desk feature in Behind the Stripes
- Participate in College writing competitions, including the Junior Writing Competition and Maggie Shaw Creative Writing Competition
- Submit work to external competitions and publication opportunities
- Engage with professional authors through workshops, talks, and guest presentations
- Attend literary events and festivals, including the Brisbane Writers Festival
- Participate in author visits that support both curriculum and enrichment learning
- Contribute to social justice initiatives in partnership with Viridian Aged Care
- Collaborate in the annual Write a Book in a Day competition, combining creativity and teamwork while raising funds for The Kids' Cancer Project

KEY HIGHLIGHTS

- 180+ students entered the Maggie Shaw Creative Writing Competition in 2026
- 160+ students engaged in author visits and writing enrichment opportunities in 2026
- 40+ students participated in Writers' Circle social justice initiatives in 2026
- More than $13,000 raised for The Kids' Cancer Project through Write a Book in a Day across 2024-2026
- Two students became published authors after placing in the Top 4 of the National Young Authors' Fair, 2026
- ***Second Place*** **-** ETAQ Literary Competition, 2026
- ***Second Place*** **-** ETAQ Literary Competition, 2025
- ***Second Place*** **-** Words Out West Short Story Competition, 2024
- The inaugural Junior Writing Competition attracted 128 Year 5 and 6 students in 2025

Arts Committee

The Nudgee College Arts Committee plays an important role in supporting and enriching the cultural life of the College. Bringing together parents and College staff, the Committee works collaboratively with Performing Arts staff to create meaningful opportunities for students to explore their interests, develop their talents and celebrate their achievements.

Through fundraising, community events and advocacy, the Arts Committee supports the continued growth of Performing Arts at Nudgee, helping ensure that students have access to enriching experiences both within and beyond the classroom.

SUPPORTING THE ARTS AT NUDGEE

The Arts Committee supports all Performing Arts programs. The Committee's key priorities include:

- Supporting the annual Nudgee College Arts Gala, alongside performances, showcases and other cultural events.
- Raising funds to enhance Performing Arts programs, resources, and student opportunities.
- Contributing to opportunities for students to participate in regional and international tours.
- Celebrating student achievements, creativity and cultural diversity through College and community events.
- Strengthening connections between families, staff and the wider Performing Arts community.

GET INVOLVED - JOIN THE ARTS COMMITTEE

All Nudgee families, including those joining the College, are warmly encouraged to consider becoming involved in the Arts Committee.

Whether your child is already passionate about Performing Arts or is just beginning to explore the opportunities available, joining the Committee is a wonderful way to connect with other families, contribute to College life and support the continued development of the Arts at Nudgee.

No prior Arts experience is required. We welcome parents who are interested in contributing their time, ideas and enthusiasm to help create memorable experiences for our students.

For further information, please scan the QR code or contact the Performing Arts Development Manager at artscommittee@nudgee.qld.edu.au.
